

SEED & SUPPLIES FOR NORTHERN CALIFORNIA

EROSION CONTROL MIXES*(Non-irrigated)

Bay/Valley Single Season Protection:

- **Gold Rush Blend** (140 Lbs/acre) - medium rain
 - Quick covering annual mix with crimson flowers in the spring.

Bay/Valley 1-3 Years Protection:

- **Green to Gold Blend** (55 Lbs/acre) - medium rain
 - A mix of annual grasses and Rose and Sub Clovers. Excellent winter cover.
- **Santa Cruz Erosion** (45-65 bs./acre)
 - Annual erosion mix developed in the Santa Cruz mountain area.

*Add 8 Lbs. per acre California Native Wildflower Mix to any of the above mixes for additional color and diversity.
